Forgot Password

This screen allows user to generate a new password in case the user has forgotten the existing password.

User ID: This field enables user to input the user ID for which the password has to be generated.

User will input the Captcha code and click on this action button ![Retrieve Password]. System will automatically generate a reset password link and forward the same to the registered email id as shown below.

Hello USER,

You are receiving this email on behalf of ACMES Administration because you have requested a new password.

Click on the link to set New Password http://www.acmes.in/DEMO/ReterivePassword.aspx?ID=78082E64-0F71-4A29-814A-9304EC6FD258

We suggest that you immediately and change your password.

Thanks,
Support Team
